# Preview Worksheet

This worksheet will help you narrow down your portrait choices for your order. Your photographer's favorite images have been selected to show you their favorites from your session. **When filling out this sheet, you only need to specify the last four numbers of each pose.**

## 1. Choose your Yearbook photo!

Your yearbook photo must be a head and shoulder pose on the senior yearbook background. Your photographer has chosen their favorite image. If you do not turn in a yearbook photo of your choice, the photographer's choice will be submitted to your school's yearbook advisor. We must have your choice **NO LATER THAN SEPTEMBER 19**. If you wish to choose your yearbook image after this date, you must receive permission from your school's yearbook advisor and you will incur a \$20 fee for Burns Photography to resubmit your yearbook image.
